

## Voluntary Statement

Date of Statement: July 7, 2008

Statement of: Victoria Warmsprings

I, Victoria Victim, was leaving Saint Pats hospital after getting my arthritis medication and was on my way to Safeway to buy groceries. A young dark looking man walked up beside me and grabbed my purse out of my hand. I tried to hold on to it but he was too strong for me and I was holding the purse in my bad hand. It hurt so bad I had to let go of my purse and the young man ran towards the railroad tracks to the north of the hospital. He was wearing a blue coat and had dark hair. The purse had \$200 dollars and change in it along with my social security check and my bus tokens. My purse was black and also has my medications in it. As he was running away I noticed that he was wearing a blue coat.

This statement is provided by me and accurately reflects to the best of my knowledge the events concerning the loss of my purse.
